## **Feed quantity requirements for 1000 fish**

Feeding stage	Quantity required	Feeding period
Starter1	7kgs	6weeks
Starter 2	10 kgs	2weeks
Starter 3	10kgs	2weeks
Juvenile	75kgs	1.2-2months
Growers	330kgs	Until harvest

NOTE: If temperature and all other parameters are equal, these are the quantities of feed required to raise 1000 tilapia fish until harvest

Growers' quantity can be reduced by supplementing with azolla/duckweed, maggots, worms, and cockroaches
