

Environmental Liability Insurance

This insurance covers the insured against accidental damage to the environment as a result of pollution. The cover may include the legal fees involved in defending against claims made for the environmental damage and pollution. The cover may also include the following costs:-

- On-site cleanup costs.
- Off-site clean up costs associated with remediation of soil, surface or ground water or other contaminations.
- Physical bodily injury, sickness, disease, mental anguish or emotional distress.
- Damage to property.

Who can benefit from this insurance cover ?

All operations or activities which have an impact on the environment, which would give rise to claims, civil or any other which may emanate from the relevant Acts and statutory regulations. Such operations include all mining operations and operators.

NB: The above is for information purposes only. Please consult your insurance company or insurance broker for details and information and assistance.

The information was compiled from online sources (local insurance company websites) and product literature on insurance products that are available in the Zimbabwean insurance market.
