

Plant and Machinery All Risks

This insurance covers the insured against loss or damage to plant and machinery during operation and when not in operation due to specified causes or from all causes except those specifically excluded. The cover may also include such damage during installation or dismantling of plant and machinery. The insurance may also cover liabilities arising from the stated events.

Who can benefit from this insurance cover ?

This cover is critical for all companies, organizations or entities who make use of plant and machinery in their operations.

NB: The above is for information purposes only. Please consult your insurance company or insurance broker for details and information and assistance.

The information was compiled from online sources (local insurance company websites) and product literature on insurance products that are available in the Zimbabwean insurance market.
